GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 31 MARCH 2020

The directors present their strategic report of the company and the group for the year ended 31 March 2020.

REVIEW OF BUSINESS

The directors of the company wish to report that the performance of the company through the year has been consistent and helped withstand the uncertain climate to maintain stability in the group's revenue. The Company has added new accounts in the current year which has resulted in the increase in revenues. The company strives to be a strategic fit in the Group's focus on onshore delivery model.

The group is optimistic of achieving further additions to the revenues. The group's continuous thrust on value propositions and cost effective global delivery model will help it to meet customer requirements. The Group's re-positioning as a preferred digital transformation partner and sustained efforts to help customers to shift to digital technology and achieve operational efficiency has shown traction in Customer interest.

The Company was primarily set up as a Special Purpose Vehicle for acquiring the Acuma Group. The Company continues to lend solid support to its flagship UK subsidiary and contribute to its growth. The Company offers a leeway to cross-sell the larger Group's services through its platform. It provides services on its own to clients in the UK and contributes to the Group's revenues. The Company aims to add new customers in the coming years and grow its revenue base.

Whilst the group is geared up to work towards its growth objectives in the coming year, there is a new challenge that has emerged in the form of a pandemic across the world at the close of the financial year 2019-20. The COVID-19 outbreak in the UK and throughout the world has caused general business disruption. While the disruption is currently continuing as on date and expected to be temporary, there is considerable uncertainty around the duration of its prevalence, containment and reversal. The extent of the impact of COVID-19 on operational and financial performance will depend on certain developments, including duration and spread of the outbreak, the future impact on the customers, employees and vendors, all of which are uncertain and cannot be predicted.

During the shutdown period, the Companies continue to employ and maintain the headcount of their staff and deliver its services.

The key financial results of the subsidiary is as below:

Acuma Solutions Limited

The profits/(loss) for the year amounted to £354,011 [2019: £(581,856)].

GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 31 MARCH 2020

PRINCIPAL RISKS AND UNCERTAINTIES

The group's financial instruments comprise cash and liquid resources, balances with group undertakings and various items such as trade debtors, trade creditors etc, that arise directly from its operations. The main purpose of these financial instruments is to raise finance for the group's operations. It is, and has been throughout the period under review, the group's policy that no trading in financial instruments shall be undertaken. The main risks arising from the group's financial instruments are interest rate risk, liquidity risk and foreign currency risk and credit risk. The board reviews and agrees policies for managing each of these risks and they are summarised below.

Interest rate risk

The group's interest rate risk exists in an interest-bearing assets, such as an overdraft and loan, due to the possibility of a change in the value resulting from the variability of interest rates. The group manages its interest rate risk by trying to avoid on banking finance as far as possible and considering repaying the liability as it falls due and primarily relying on its own generated income and group supports.

Foreign currency Risk

The group is exposed to foreign currency risks arising from sales or purchases by businesses in currencies other than its functional currency. The group manages this risk by operating its business transaction from different currencies bank account. The group doesn't involve with hedging instrument as it is not cost/benefit at current level risk. However the company is evaluating exposures to Forward instruments to mitigate this risk.

Credit Risk

The Group is exposed to credit-related losses in the event of non-performance by its clients counterpart's to financial instruments ie; debtors balances, but does not currently expect any counterpart's to fail to meet their obligations. Credit risk is mitigated by the Board approved policy of only selecting counterpart's with a good standing and strong credit reference.

Liquidity risk

The Group currently maintains credit facilities of at least £200,000 to ensure it has sufficient available funds for operations and planned development. The principal revolving credit facility is reviewed every year. At the balance sheet date the Group had Credit-card facility of £30,000 and the following undrawn credit facilities:

- 1) Overdraft facility: £400,000 and;
- 2) Foreign Exchange marginal risk facility: £150,000.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
SAKSOFT SOLUTIONS LIMITED**

Opinion

We have audited the financial statements of Saksoft Solutions Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 March 2020 which comprise the Consolidated Statement of Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement and Notes to the Consolidated Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 31 March 2020 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The impact of uncertainties due to the COVID19 pandemic on our audit

Uncertainties related to the effects of COVID-19 are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, and related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

COVID-19 is one of the most significant public health, social and economic event and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for the company and this is particularly the case in relation to COVID19.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("The going concern period")

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of COVID-19, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company continues in operation.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
SAKSOFT SOLUTIONS LIMITED**

Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

SAKSOFT SOLUTIONS LIMITED**

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

SAKSOFT SOLUTIONS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS **FOR THE YEAR ENDED 31 MARCH 2020**

1. STATUTORY INFORMATION

Saksoft Solutions Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the company and all subsidiary undertakings. These are adjusted, where appropriate, to conform to group accounting policies. Acquisitions are accounted for under the acquisition method and goodwill on consolidation is capitalised. The results of companies acquired or disposed of are included in the profit and loss account after or up to the date that control passes respectively. As a consolidated profit and loss account is published, a separate profit and loss account for the parent company is omitted from the group financial statements by virtue of section 408 of the Companies Act 2006.

Financial Reporting framework

The financial statements of the parent company and each of its subsidiary undertakings are prepared using the same financial reporting frameworks.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Transactions between group entities which have been eliminated on consolidation are not disclosed within the financial statements.

Turnover

The turnover represents net sales of IT software, consultancy, support, expense re-charges and training to third party customers, excluding VAT, and is predominately attributable to ordinary activities carried out in the UK.

Sales recognition

Revenue is recognised to the extent that the group obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales tax or duty. The following criteria must also be met before revenue is recognised.

Sale of software and hardware

Revenue from the sale of software and hardware is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of goods.

Rendering of services

Revenue from the provision of services is recognised by reference to the stage of completion for fixed price projects. Stage of completion is measured by reference to project days incurred to date as a percentage of total estimated project days for each contract. Revenue from time and materials contracts is recognised as the services are rendered.

SAKSOFT SOLUTIONS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued **FOR THE YEAR ENDED 31 MARCH 2020**

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

All tangible fixed assets are initially recorded at cost, which includes any expenses of acquisition. Provision for depreciation is made so as to write off the cost of tangible fixed assets on a straight line basis over the expected useful economic lives of the assets concerned which is considered to be:

Short leasehold	-Life of lease
Fixtures & fittings	-5 years
Computer equipment	-2 years

Fixed Assets costing £ 500 or less are written off in full in the year in which they are acquired.

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Current assets

Current Assets are valued at lower of cost and Net realisable value.

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit/loss.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

FOR THE YEAR ENDED 31 MARCH 2020

2. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The group operates a defined contribution pension scheme. Contributions payable to the group's pension scheme are charged to profit or loss in the period to which they relate.

Operating lease

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Going concern

The financial statements have been prepared on a going concern basis on the assumption that the company will continue to trade in the foreseeable future. The Company Directors having made appropriate enquiries consider that adequate resources exist for the Company to continue in operational existence for the foreseeable future and with the continued support of the company's shareholder, the company will be able to meet its liabilities as they fall due for payment. Therefore, the directors are of the opinion that it is appropriate to adopt the going concern basis in preparing the financial statements.

Since the financial year end, there are uncertainties relating to COVID19 pandemic which may impact on recoverability of the investments and debtors. No provisions have been made in the financial statements.
