This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- 5. Based on our review conducted as stated in paragraph 3 above, and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Circular No.CIR/ CFD/FAC/62/2016 dated 5<sup>th</sup> July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. We did not review the financial information of three subsidiaries, included in the PRICE unaudited consolidated financial results for the quarter and nine months ended 31st

December 2022, whose interim financial information reflect Group's share of total revenues of Rs. 432.37 million and Rs.1255.36 million, total net profit of Rs. 76.02 million and Rs.239.75 million and Group's share of total comprehensive income of Rs.71.45 million and Rs.228.14 million for quarter and nine months ended respectively on that date. This interim financial information have been reviewed by other auditors, whose review reports have been furnished to us by the management and our review conclusion in so far as it relates to the amounts and disclosures included in respect of the above three subsidiaries, is based solely on the report of the other auditors and the procedures performed by us as stated in para 3 above.

- 7. We did not review the unaudited financial information of three subsidiaries and a trust, included in the consolidated financial results for the quarter and nine months ended 31<sup>st</sup> December 2022, whose interim financial information reflect Group's share of total revenues of Rs.41.53 million and Rs.109.98 million, total net profit of Rs.5.76 million and Rs.11.55 million and total comprehensive income of Rs.5.76 million and Rs.11.55 million for the quarter and none months ended on that date.
